

LOCKER REGISTRATION FORM

All lockers are to be registered if a lock is used overnight. Currently, our locker registration is free of charge. However, at any point this policy may change and a small fee will be charged to your account with a 30 day notice. Locker policies must be upheld at all times, otherwise rights to the locker are forfeited and staff will remove lock and belongings inside. If you decide to discontinue use of locker for overnight purposes, please notify staff so we can remove your account association to the locker.

Locker Policies:

- Only combination lockers are to be used
- Only staff can cut locks
- Items not allowed in locker, include:
 - Perishable foods
 - Illegal items

Notify the front desk, if you wish to change lockers or discontinue using the registered locker.
